STOCKUP AND DOWN

Decrease in Bank Reserve Had an Adverse Influence.

NORTHERN PACIFIC WAS WEAK

Decline in General Stock List—Wheat Opened Weak, But Closed Firm On an Advance.

New York, Aug. 12.—Money on call is nominally steady at 3 per cent.

Prime mercantile paper, 84½ per cent.

Postage rates, 84½ per cent.

Government bonds have been weak.

The sale of stocks today aggregated only 51,681 shares.

At the opening the market was irregular, a few stocks showing declines and other advances, but the changes either way outside of American Sugar and Lackawanna were slight.

The failure of the Commercial bank of Brooklyn, a small state bank, had little or no effect.

About 11 o'clock a fair demand set in for Chicago Gas, Lake Shore and Lackawanna.

The market held tolerably firm until the publication of the bank statement.

The banks lost over two and half millions in cash, expanded their loans \$3,078,000 and decreased their liabilities \$741,700.

This showing created a bearish feeling and a general decline followed.

Northern Pacifics were particularly weak.

London and Berlin had selling orders in the stock.

Northern Pacific preferred from 21½ to 18½ and the common from 7½ to 5½.

Union Pacific was heavy, declining about 2 points upon the application for a receiver for the Union Pacific, Denver & Gulf.

The general list fell ½ to 1½ per cent.

Among the specialties U. S. Kohler preferred declined 7 to 7½ and Nashville & Chattanooga 2 to 2½.

Northwestern preferred jumped 4½ to 5½.

Just previous to the close the was a smaller of small proportions, but the tone of the market was rather weak.
